

**Ski Doo  
Demo Rides  
Coming to  
New Brunswick!**

**BRP will be hosting a demo event at Mactaquac Provincial Park  
March 14-18, 2012.**

**This is a VIP event meaning that it is by \*registration only\*, those that just "show" up may/will not be able to ride. The registration process is very simple, they can click on [www.skidoodemo.com](http://www.skidoodemo.com), select their location (Fredericton) and fill out the ballot or phone **1-855-2-SKI-DOO (1-855-275-4366)** to make sure you get registered.**

**It is a two hour ride, 2 rides in the am and 2 in the pm.**

**We do have an alternative plan in the event there is not enough snow. Although it would be wonderful for BRP to hold events in every province, it is just not logistically possible. The event started in early January in Saskatchewan and is moving its way to the Maritimes in March!**
